# RECYCLE Plastic Bags, Wraps & Film

at all 11 Lexington County Collection and Recycling Centers

Composite decking material and furniture are made from stretchy plastic bags, wraps and film and consist of 95% recycled content. Prevent litter, help save landfill space, energy and money and create jobs in South Carolina. **RECYCLE all of your CLEAN, DRY, STRETCHY plastic material.**

Discard plastic bags, wrap and film that crinkle, tear easily, are wet or contain food.
