## **FEE AGREEMENT**

**THIS FEE AGREEMENT** (“Fee Agreement”) is made and entered into as of \_\_\_\_\_, \_\_\_\_\_, by and between **LEXINGTON COUNTY, SOUTH CAROLINA** (the “County”), a body politic and corporate and a political subdivision of the State of South Carolina, acting by and through its County Council (the “County Council”) as governing body of the County, and Michelin North America, Inc. (“the Company”).

### **WITNESSETH:**

**WHEREAS**, the County is authorized by Title 12, Chapter 44, Code of Laws of South Carolina, 1976, as amended (the “Act”), to enter into a Fee Agreement with companies meeting the requirements of such Act which identifies certain property of such companies as economic development property to induce such companies to locate in the State and to encourage companies now located in the State to expand their investments and thus make use of and employ manpower and other resources of the State;

**WHEREAS**, pursuant to the Act, the County finds that (a) it is anticipated that the Project (as defined herein) will benefit the general public welfare of the County by providing services, employment and other public benefits not otherwise adequately provided locally; (b) neither the Project nor any documents or agreements entered into by the County in connection therewith will give rise to any pecuniary liability of the County or incorporated municipality or to any charge against its general credit or taxing power; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project to the public are greater than the costs to the public;

**WHEREAS**, pursuant to an Inducement Resolution dated December 10, 2024 (the “Inducement Resolution”) the County agrees to negotiate to enter into a fee agreement.

**WHEREAS**, pursuant to an Ordinance enacted on June \_\_\_, 2025 (the “Ordinance”), as an inducement to the Company to develop the Project, the County Council authorized the County to enter into a Fee Agreement and to include and maintain the property comprising the Project in a Multi-County Industrial and Business Park (as defined herein) for at least 30 years and subject to the terms and conditions hereof.

**SECTION 2.1 *Limitation of Liability.*** Any obligation which the County may incur for the payment of money as a result of the transactions described in the Documents shall never constitute an indebtedness of the County within the meaning of any State constitutional provision or statutory limitation and shall never create a pecuniary liability of the County or a charge upon its general credit or against its taxing powers but shall be payable solely out of the funds received by it under the Documents.

**SECTION 2.2. *Inducement.*** The County and the Company acknowledge that pursuant to the Act, upon execution of this Fee Agreement, no part of the Project will be subject to ad valorem property taxation in the State, and that this factor, among others, has induced the Company to enter into this Fee Agreement.

(a) The County agrees to do all things deemed reasonably necessary as requested by the Company in writing in connection with the Project including but not limited to the execution, delivery and performance of its obligations in the Documents and in accordance with the Act, all for the purposes of promoting industrial development, developing trade, and utilizing and employing the manpower and natural resources of the County and the State. (b) Upon receipt of written request from the Company, the County agrees to consider any request the Company may make for an extension of the Investment Period or the Fee Term in accordance with and up to the limits permitted under Section 12-44-30(13) of the Act. Such extension(s) may be provided by a resolution of County Council. (b) Neither the execution and delivery of the Documents to which the Company is a party, nor the consummation and performance of the transactions described in the Documents violate, conflict with, or will, to its knowledge, result in a material breach of any of the material terms, conditions or provisions of any agreement, restriction, law, rule, order or regulation to which the Company is now a party or by which it is bound.

(c) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any judicial or administrative court or agency, public board or body, pending or threatened, against or affecting the Company wherein an unfavorable decision, ruling or finding would adversely affect the Company or the consummation of the transactions described in the Documents.

(a) The Company shall cause the filing of a copy of this Fee Agreement, as well as a copy of the completed Form PT-443 of the DOR, to be filed with the County Auditor and the County Assessor of the County and any partner county, when the Project is placed in a joint county industrial and business park, and the DOR within 30 days after the date of execution and delivery hereof by all parties hereto.

## **ARTICLE IV**

### **COMMENCEMENT AND COMPLETION OF THE PROJECT**

**SECTION 4.1. *The Project.*** The Company has acquired, constructed and/or installed or made plans for the acquisition, construction and/or installation of certain machinery, equipment, and other personal property which comprise the Project. The Project will consist of equipment dedicated to manufacturing.

Pursuant to the Act, the Company and the County hereby agree that the property comprising the Project shall be economic development property as defined under the Act, so long as such property meets the requirements of the Act.

**SECTION 4.2. *Diligent Completion.*** The Company agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed; however, notwithstanding anything contained in this Fee Agreement to the contrary, the Company shall not be obligated to complete the acquisition of the Project.

**SECTION 4.3. *Modifications to Project.*** The Company may make or cause to be made from time to time any additions, modifications or improvements to the Project that it may deem desirable for its business purposes.

## **ARTICLE V**

### **PAYMENTS-IN-LIEU-OF-TAXES; DISPOSITION OF PAYMENTS-IN-LIEU-OF-TAXES**

**SECTION 5.1. *Payments-in-Lieu-of-Taxes.*** The parties acknowledge that under S.C. Code 12-44-40, the Project is exempt from ad valorem property taxes assuming a Fee Agreement is signed. However, the Company shall be required to make the Payments-in-Lieu-of-Taxes with respect to the Project as provided in this **Section 5.1**. In accordance with the Act, and unless this Fee Agreement is sooner terminated, the Company shall make annual Payments-in-Lieu-of-Taxes with respect to the Project, said payments being due and payable and subject to penalty assessments in the manner prescribed by the Act. Such amounts shall be calculated and payable as follows:

(a) The Company has agreed to make annual Payments-in-Lieu-of-Taxes with respect to the Project in an amount equal to the property taxes that would be due with respect to such property, if it were taxable, but using an assessment ratio of 6% and a millage rate of 536.929 for

a period of 20 years. Thereafter, the assessment ratio shall remain at 6% but the millage rate will change based on each year total millages.

Subject in all events to the provisions of the Act, the fair market value estimate determined by the DOR will be as follows:

- (i) for real property using the original income tax basis for South Carolina income tax purposes without regard to depreciation; provided, however, if real property is constructed for the fee or is purchased in an arm's length transaction, fair market value equals the original income tax basis; otherwise, the DOR will determine fair market value by appraisal; and
- (ii) for personal property, using the original income tax basis for South Carolina income tax purposes less depreciation allowable for property tax purposes, except that the Company is not entitled to extraordinary obsolescence.

(b) The Payments-in-Lieu-of-Taxes must be made on the basis that the Project property, if it were otherwise subject to ad valorem property taxes, would be subject to no other tax exemptions, including, but not limited to the exemptions allowed under Section 3(g) of Article X of the South Carolina Constitution and Section 12-37-220(B)(32) and (34) of the Code of Laws of South Carolina, as amended.

(c) The Company shall make Payments-in-Lieu-of-Taxes for each year during the term hereof beginning with the tax year following the year property is first placed in service. The Payments-in-Lieu-of-Taxes shall be made to the County Treasurer on the due dates which would otherwise be applicable for ad valorem property taxes for the Project, with the first payment being due on the first date following the delivery of this Fee Agreement when, but for this Fee Agreement, such taxes would have been paid with respect to the Project.

(d) Any property placed in service as part of the Project during the Investment Period shall be included in the calculation of payments pursuant to paragraphs (a), (b) and (c), above, for a period not exceeding 30 years, unless this Fee Agreement is extended pursuant to **Section 3.2(b)** and **Section 5.3** hereof, following the year in which such property was placed in service. Replacement Property shall be included (using its income tax basis) in the calculation of payments pursuant to paragraphs (a), (b) and (c), above, but only up to the original income tax basis of property which is being disposed of in the same property tax year. Replacement Property shall be deemed to replace the oldest property subject to the fee which is disposed of in the same property tax year that the Replacement Property is placed in service. More than one piece of property can replace a single piece of property. Replacement Property does not have to serve the same function as the property it is replacing. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the property which it is replacing, the portion of such property allocable to the excess amount shall be subject to annual payments calculated as if the exemption for economic development property under the Act were not allowed. Replacement Property is entitled to the fee payment pursuant to this **Section 5.1** for the period of time remaining on the 30-year fee period for the property if the Company and County extend the term of the Fee Agreement pursuant to **Section 3.2(b)** and **Section 5.3** hereof, for the property which it is replacing.

## **SECTION 5.2. *Disposal of Property; Replacement Property.***

(a) In any instance where the Company in its sole discretion determines that any item or items of property included in the Project have become, in whole or in part, inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such item (or such portion thereof as the Company shall determine) or items and sell, trade in, exchange or otherwise dispose of it or them (as a whole or in part) without any responsibility or accountability to the County therefor. The loss or removal from the Project of any property, or any portion thereof, as a result of fire or other casualty or by virtue of the exercise or threat of the power of condemnation or eminent domain shall be deemed to be a disposal of such property, or portion thereof, pursuant to this **Section 5.2**. Subject to the provisions of **Section 5.1(d)** and this **Section 5.2** with respect to Replacement Property, the Payments-in-Lieu-of-Taxes required by **Section 5** hereof shall be reduced by the amount thereof applicable to any property included in the Project, or part thereof, disposed of, or deemed disposed of, pursuant to this **Section 5.2**. In the event that such disposal (without replacement) reduces the Company's and the Company Affiliate's cumulative gross investment below \$159 million, then the Project shall revert to ad valorem taxation and this agreement shall terminate pursuant to Section 12-44-140 of the Act.

(b) The Company may, in its sole discretion, replace, renew or acquire and/or install other property in substitution for, any or all property or portions thereof disposed of, or deemed disposed of, pursuant to **Section 5.2(a)** hereof. Any such property may, but need not, serve the same function, or be of the same utility or value, as the property being replaced. Absent a written election to the contrary made at the time of filing the first property tax return that would apply to such property, such property shall be treated as Replacement Property.

**SECTION 5.3. *Fee Term.*** The applicable term of this Fee Agreement shall be measured for each Stage beginning from the last day of the property tax year in which the Project is placed in service in that Stage through the last day of the property tax year which is the nineteenth year following such year; provided, that the maximum term of this Fee Agreement shall not be more than 30 years from the end of the last year of the Investment Period unless the term of this Fee Agreement is extended pursuant to **Section 3.2(b)** and this **Section 5.3**. This Fee Agreement shall terminate with respect to the Project or any Stage or part thereof upon the earlier to occur of (a) payment of the final installment of Payments-in-Lieu-of-Taxes pursuant to **Section 5.1** hereof, or (b) exercise by the Company of its option to terminate pursuant to this **Section 5.3**.

From time to time (including without limitation any time during which there may be a subsisting an Event of Default) and at any time upon at least 30 days notice, the Company may terminate this Fee Agreement with respect to the entire Project or any portion thereof. Upon termination of all or part of this Fee Agreement, the Company will become liable for ad valorem property taxes on the Project or such portion thereof as is so terminated from inclusion in the Project, as well as for any amounts already due and owing under this Fee Agreement, which latter amounts, if any, shall be paid to the County with the next installment of Payments-in-Lieu-of-Taxes pursuant **Section 5.1**, or, if the termination is of the entire Project, then within 120 days of termination.

**SECTION 5.4. *Minimum Investment.*** If the Company and Company Affiliate have not invested \$159 million at the Project during the Investment Period, then the Project may, in the

sole discretion of the County, revert retroactively to ad valorem taxation and the Company shall, within 180 days of the end of the Investment Period, make payment to the County of the difference between the Payments-in-Lieu-of-Taxes actually made and the total retroactive amount referred to in this Section; provided however, that if the Company and Company Affiliate have made additional investments in the County and created new jobs in the County at locations other than the Real Property, then such additional investment and new jobs shall be taken into account when determining if the requirements of this paragraph have been satisfied.

**SECTION 5.5. *Multi-County Industrial and Business Park.*** The Real Property shown in Exhibit A is already in the Multi-County Industrial Park with Calhoun County.

**SECTION 5.6. *Special Source Revenue Credit.*** As an inducement for the Investment and in accordance with Section 12-44-70 of the Act, the County grants to the Company a Special Source Revenue Credit (“SSRC”) equal to 35% of the value of the annual Payments-in-Lieu-of-Taxes due for property tax years one (1) through 10 (the “Credit Period”) beginning with the first property tax year for which a Payment-in-Lieu-of-Taxes becomes due.

With respect to the SSRC, the County shall automatically reflect the SSRC against the Payment-in-Lieu-of-Taxes on those invoices provided by the County to the Company. The Company shall be permitted to utilize the SSRC to offset any qualifying expenditures as provided under the code, including but not limited to provisions of the Act and the Infrastructure Credit Act.

## ARTICLE VI

### PROPERTY TAX EXEMPTION AND ABATEMENT

**SECTION 6.1. *Protection of Tax Exempt Status of the Project.*** In order to insure that the Project is not and will not become subject to ad valorem property taxes under the laws of the State of South Carolina or any political subdivision thereof, the County and the Company covenant that:

(a) all right and privileges granted to either party under this Fee Agreement or any other Documents shall be exercised so that if any conflict between this Section and any other provision in any document shall arise, then in that case, this Section shall control;

(b) the County and the Company have not knowingly committed or permitted and will not knowingly commit or permit (as to any act over which either has control) any act which would cause the Project to be subject to ad valorem property taxes by the County or political subdivision of the State of South Carolina in which any part of the Project is located; and

(c) the Company will maintain the identity of the Project as a “Project” in accordance with the Act.

## ARTICLE VII

### EFFECTIVE DATE

**SECTION 7.1. *Effective Date.*** This Fee Agreement shall become effective as of the third reading of the Ordinance.

## ARTICLE VIII

### SPECIAL COVENANTS

#### **SECTION 8.1. *Indemnification Covenants***

(a) The Company shall and agrees to hold the County and its County Council members, officers, agents and employees harmless from all pecuniary liability in connection with those reasons set forth in (i) or (ii) of **Section 8.1(b)** and to reimburse them for all reasonable expenses to which any of them might be subject due to the approval and entering into of the documents or the fulfillment of their obligations under this Fee Agreement in the implementation of its terms and provisions.

(b) Notwithstanding the fact that it is the intention of the parties that neither the County nor any of its members, officers, agents and employees shall incur any pecuniary liability to any third-party (i) by reason of the terms of this Fee Agreement or the undertakings of the County required hereunder, or (ii) by reason of the performance of any act in connection with the entering into and performance of the transactions described in the Documents, if the County or any of its members, officers, agents or employees should incur any such pecuniary liability, then, in that event the Company shall indemnify and hold harmless the County and its members, officers, agents and employees against all pecuniary claims by or on behalf of any person, firm or Company, arising out of the same, and all costs and expenses incurred in connection with any such claim, and upon notice from the County, the Company at its own expense shall defend the County and its officers, agents and employees in any such action or proceeding.

(c) Notwithstanding the foregoing, the Company shall not be obligated to indemnify the County or any of its individual members, officers, agents and employees for expenses, claims, losses or damages arising from the intentional or willful misconduct or negligence of the County or any of its individual officers, agents or employees.

**SECTION 8.2. *Assignment and Leasing; Commensurate Benefits.*** The County agrees to consent, which shall not be unreasonably withheld and as allowed by the Act, for financing purposes only, to: (a) any sale, transfer, disposition or assignment of the Fee Agreement, whether in whole or in part, by the Company or any transferee or assignee; (b) the transfer or assignment of security or other interests in any or all of the Company's interests in the property subject to the Fee Agreement; or (c) the sublease of any property subject to the Fee Agreement. The County further agrees that, if future County consent is required by the Act, the County Council can provide any such consent by a resolution of County Council and such consent will not be unreasonably withheld. The County Administrator and the Clerk to County Council are hereby

expressly individually and jointly authorized and directed to evidence the County's consent by timely executing such documents as the Company may reasonably request. Further, for the purposes of this Fee Agreement and as noted in Article 5 herein, a transaction or an event of sale, assignment, leasing, transfer of an interest herein, disposal, or replacement of all or part of the Project shall not be a termination of the Fee Agreement in whole or in part or a basis for changing the fee payments due under Section 12-44-50 of the Act.

The parties acknowledge the intent of this Fee Agreement, in part, is to afford the Company the benefits specified herein in consideration of the Company's decision to locate the Project within the County and this Fee Agreement has been entered into in reliance upon the enactment of the Act and the County's compliance with the requirements thereof. In the event a court of competent jurisdiction holds that the Act is unconstitutional or this Fee Agreement of the Multi-County Industrial and Business Park Agreement are invalid or unenforceable in any material respect, then at the request of the Company, the County agrees to use its best efforts to extend to the Company the intended benefits of this Fee Agreement.

## **ARTICLE IX**

### **EVENT OF DEFAULT AND REMEDIES**

**SECTION 9.1. *Events of Default Defined.*** The occurrence of any one or more of the following events shall be an "Event of Default" under this Fee Agreement:

(a) If the Company shall fail to make any Payment-in-Lieu-of-Taxes or any other amount required under this Fee Agreement and such failure shall continue for 30 days after receiving written notice of default from the County; or

(b) If the Company or the County shall fail to observe or perform any covenant, condition or agreement required herein to be observed or performed by the Company or the County (other than as referred to in **Section 9.1(a)** hereof), and such failure shall continue for a period of 30 days after written notice of default has been given to the Company by the County or to the County by the Company; provided if by reason of "force majeure" as hereinafter defined the Company or the County is unable in whole or in part to carry out any such covenant, condition or agreement or if it takes longer than 30 days to cure such default and the Company or the County is diligently attempting to cure such default, there shall be no Event of Default during such inability. The term "force majeure" as used herein shall mean circumstances not reasonably within the control of the parties, such as without limitation, acts of God, strikes, lockouts or other industrial disturbances; war; acts of public enemies; mobilization or military conscription on a large scale; order of any kind of the government of the United States or any State, or any civil or military authority other than the County Council; insurrections; riots; landslides; earthquakes; fires; lightning; storms; droughts; floods; requisitions, confiscation, or commandeering of property; fuel restrictions; general shortages of transport, goods, or energy; or

(c) If any material representation or warranty on the part of the Company or the County made in the Documents, or in any report, certificate, financial or other statement furnished in connection with the Documents or the transactions described in the Documents shall have been false or misleading in any material respect.

- (d) If the Company ceases operation.

**SECTION 9.2. Remedies on Default.** Whenever any Event of Default shall have happened and be subsisting the County and the Company may take whatever action at law or in equity may appear legally required or necessary or desirable to collect the payments and other amounts then due or to enforce performance and observance of any obligation, agreement or covenant of the Company, under the Documents, including the right to terminate this Fee Agreement. Although the parties acknowledge that the Project is exempt from ad valorem property taxes, the County and any other taxing entity affected thereby may, without limiting the generality of the foregoing, exercise the remedies provided by general law (Title 12, Chapter 49 and Title 12, Chapter 51) and the Act relating to the enforced collection of taxes.

**SECTION 9.3. No Additional Waiver Implied by One Waiver.** In the event any warranty, covenant or agreement contained in this Fee Agreement should be breached by the Company or the County and thereafter waived by the other party to this Fee Agreement, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach.
