- **Guidelines for Opening Up America Again:** On Thursday, April 16, President Trump and the White House Coronavirus Task Force unveiled [new guidelines](#) ([download here](#)) for the reopening of America. Developed by the top medical experts from across the Government and based on verifiable metrics regarding the situation on the ground, the guidelines outline a phased return to reopening and include specific steps for State, Local, and Tribal officials to follow in tailoring their response. The guidelines also set clear benchmarks on new cases, testing, and hospital resources for States to meet to proceed toward a phased reopening. In the days and weeks ahead, the Administration plans to continue robust coordination and outreach with State, Local, and Tribal leaders as we collectively work to reopen the country.
- **Coronavirus Guidelines for America:** On Tuesday, March 31, the White House announced updated [Coronavirus Guidelines for America \(Español\)](#), extending social distancing efforts through April 30. On April 3, the Centers for Disease Control and Prevention (CDC) issued [guidance](#) recommending individuals wear cloth face coverings *in public settings where other social distancing measures are difficult to maintain* (e.g. grocery stores and pharmacies, particularly in areas of significant community-based transmission). On April 8, CDC also provided [guidelines](#) regarding when people in critical infrastructure roles can return to work after being exposed to a confirmed or suspected case of COVID-19. Additional information on critical infrastructure below.
- **Up-To-Date Information:** The most up-to-date, verified information and guidance can be found via the Centers for Disease Control and Prevention Coronavirus Disease 2019 website – www.coronavirus.gov. The Coronavirus Task Force holds frequent briefings, which can be viewed live [here](#).
- **COVID-19 Response and Recovery Primer:** Response and recovery efforts are locally executed, state managed, and federally supported. It is important that requests for assistance, including for critical supplies, get routed through the proper channels as soon as possible. Learn more about the response and recovery process via this important resource – [Coronavirus \(COVID-19\) Pandemic: Response and Recovery Through Federal-State-Local-Tribal Partnership](#). FEMA’s public assistance guidance for COVID-19 response efforts can be found [here](#). Guidance for Tribal Governments can be found [here](#).

- **Critical Infrastructure Workforce Guidelines:** On March 16th, the Department of Homeland Security (DHS) issued updated [critical infrastructure guidance](#) in response to the COVID-19 emergency. DHS continues to work with stakeholders in the critical infrastructure community to update the advisory list if necessary as the Nation's response to COVID-19 evolves. The guidance, and accompanying list, is intended to help State, local, tribal and territorial officials as they work to protect their communities, while ensuring continuity of functions critical to public health and safety, as well as economic and national security. The list is advisory in nature and is not a federal directive or standard.
- **Rural Resource Guide:** USDA and Federal partners have programs that can be used to provide immediate and long term assistance to rural communities affected by the COVID-19 pandemic. These programs can support recovery efforts for rural residents, businesses, and communities. USDA developed a [resource guide](#) for State, Local, and Tribal leaders, and other stakeholders.
- **Coronavirus Fact vs. Myth:** Rumors can easily circulate within communities during a crisis. FEMA setup a [website](#) to help the public distinguish between rumors and facts regarding the response to the coronavirus pandemic.
- **Fraud & Scam Protection:** The Department of Justice is remaining vigilant in detecting, investigating, and prosecuting wrongdoing related to the crisis.
