Item Total Price	\$61,075.35	\$67,893.00
Quantity	1	1
Estimated Delivery	120 Days after award	120 Days after award
Comment (Optional)	<p>ENGINE: The unit shall have heavy-duty diesel engine with a minimum of 20 HP and a maximum of 25 HP.</p> <p>The Mauldin MU-1000, as bid, utilizes a Kubota, Model D-1105, diesel engine. This engine displaces approximately 69ci/1123cc, and creates approximately 28 HP. The engine output of the D-1105, by design, matches the power requirements of the MU-1000 therefore maximizing performance.</p> <p>IN-CAB CONTROLLER BOX: The unit control box must operate pump on and off, up and down, wings up and down, spray rates, and ETC.</p> <p>The Mauldin MU-1000, as bid, utilizes an In-Cab Controller Box that controls all functions requested other than lifting and lowering the fold down wings incorporated with the spray bar. The In-Cab Controller Box is designed without this feature to avoid the fold down wings from making inadvertent contact with unseen items or personnel. If one of the fold down wings is damaged while lowering with the In-Cab Controller Box the driver will typically not be aware of the damage</p>	<p>Extended warranty does not include travel time and mileage after 6 months from start up.</p>
